"Extristrong" Gladiolus Bulbs

DIRECT TO THOSE WHO HAVE A GARDEN AND LOVE TO GROW FLOWERS

From WATERLOO BULB FARMS

WATERLOO, IOWA, U. S. A.

For Beginners To those who love flowers but wish to invest only a small amount we recommend our package of 60 (5 dozen) Choice Mixed as being particularly worth-while. This mixture is made up of choice kinds in early, mid-season, and late varieties, and serves splendidly as a get-acquainted package, introducing us yearly to many hundreds staunch friends. Postpaid anywhere in the United States for only \$1.00.

Cultural Directions free if you ask for them.

Our Policy The production of good bulbs, true to name, properly cured and reasonably priced, coupled with a sincere desire to serve, has built for us in a few short years an enviable reputation and one of the large bulb growing institutions in the United States.

Order Early We never have had enough bulbs to fill the demands made upon us and though we harvested more than three million (3,000,000) finished bulbs this fall, we anticipate another shortage and recommend that you **ORDER EARLY**—as soon as you receive this list.

Membership We are member of S. A. F. & O. H.—American Gladiolus Society—The Florist Credit Association and Fellow Society of American Florists.

We Recommend Peerless Plant Stakes to our friends. We use hundreds of them in our fields and find them splendid.

Choice Mixed is an exceptionally fine, well-balanced mixture. To those wishing a mixture we cannot recommend this too highly.

The above prices should not be compared with prices quoted on bulbs that have been used one, two, or three years for the production of cut flowers (second-hand bulbs).

We are offering you very fine high crown, plump, young bulbs, ready to make their very best flower, one inch or more in diameter.
